5330mm

3740mm

This piece of equipment will focus on developing primarily the shoulders and also the triceps.

The workout Range features individual fitness stations which offer an environmentally friendly outdoor fitness facility. Each unit is designed to target a specific muscle group, creating a variety of activities which can create a full body workout or aid recuperation after accident or illness. Workout units are available in three attractive colour combinations : blue and silver, green and silver or red and yellow.
