

Suitable for users over 1400mm tall.

Certified by TUV to EN 16630

Unit Free Fall Height: N/A
Area Needed: 4500mm x 3730mm

Safety Spacing

This unit is great for building the muscles in your legs and stomach.

The workout Range features individual fitness stations which offer an environmentally friendly outdoor fitness facility. Each unit is designed to target a specific muscle group, creating a variety of activities which can create a full body workout or aid recuperation after accident or illness. Workout units are available in three attractive colour combinations : blue and silver, green and silver or red and yellow.
